

NANGIA NOW!

Nangia and Co. rated a Top Tier transfer pricing firm in India by the International Tax Review

We are proud to share with you that Nangia & Co. has been conferred with the honour and recognition of being ranked a top Tier Firm in India by the International Tax Review in the Transfer Pricing services segment.

International Tax Review is a worldwide organization owned by the Euromoney Group, UK that has compiled a directory of the leading Transfer Pricing advisory firms from 51 countries and jurisdictions. The publication called the WORLD TRANSFER PRICING 2014 (first edition) is a comprehensive guide to the leading transfer pricing advisory firms from around the world.

Nangia and Co. has previously been given due recognition by being rated the best Tier 3 tax firm in India in the WORLD TAX GUIDE 2013 which is a directory of the leading tax advisory firms from across 56 countries and jurisdictions.

The categorial and uncompromising methodology of assessment, an infallible verification process with independent client feedback and a multi dimensional criterion based on knowledge, experience, attentiveness and diligence speak of the high standards of ranking by the International Tax Review and our presence therein is reflective of our distinguished values, quality of service and customer satisfaction.

The 2014 edition of the World Transfer Pricing publication recognizes our services by publishing -

Nangia & Co. provides transfer pricing services with its team of 12 specialists. Neeraj Sharma leads the team consisting of people from diverse disciplines such as economics, financial management, accounting and law. The practice is able to provide sound transfer pricing documentation studies to clients. Relying on its researching power, it has numerous successful cases of determining the appropriate TP margins for new businesses. With the firm's 30-year presence in India, the TP practice welcomes clients from a wide range of industries including oil and gas, e-commerce, hospitality, technology, media and manufacturing.

The recognition is indeed an honour and a morale boost for our team in our endeavour to achieve unparallel standards of service.
