"We are now in Singapore!"

We are pleased to announce the opening of our first overseas office in Singapore under the aegis of Nangia & Co. (Singapore) Pte. Ltd. This is the first of many steps we shall be taking in having a worldwide presence for providing seamless services to our clients.

With Singapore's growing economy and strategic location, foreign companies have always considered this country as one of the most suitable business centers in the Asia Pacific region. In our endeavour to provide spot services to our clients with Corporate, Marketing, Regional & Liaison Offices as well as control centers based in Singapore we have established our presence locally.

We endeavor to maintain the highest standards of professional services our clients giving them the same care, comfort and concern they have come to expect from us over the years. Our office is located at Raffles Place, in the heart of the Singapore business district.

We already have a well established network of offices located at New Delhi, Mumbai and Dehradun. Besides, the offices of our associates and network partners who are operating in other important cities of India provide us with that extra edge in reaching out to our clients.

We have a dedicated team of in-house professionals and network partners who have a rich blend of skills and experience in providing multi-disciplinary services of Tax and Regulatory, Mergers & Acquisitions, Corporate Finance and Audit & Assurance. Our team carries an experience of over 30 years in providing valuable insights and innovative solutions for clients to maximize value for their business and investments, while mitigating the risk of doing business in a changing environment.

The Group has a team of over 125 in-house professionals with varied experience which includes partners, senior managers, managers and other professionals with clientele spanning over 22 countries across the globe. The resource pool comprises of professionals in diverse disciplines such as Chartered Accountants, Advocates, Financial Experts, Market Research Analysts, Financial Research & Management Consultants, Information Technology experts, Company Secretaries etc.

Singapore is our first international endeavor, a stepping stone in our mission to have a global presence providing unparalleled standards of service.
